The **characters** of the Greek alphabet are often used in mathematics.

Bright idea of the day: Let's brainstorm and plan a major life **event** together, like a wedding!
(This may well be the reason why men don't plan them very often).

events

First, let's combine two major life **events** into one for double the fun! A marriage and a birthday party with a piñata – better than cake in the face, no? Wait, that happens during both **events**...never mind.

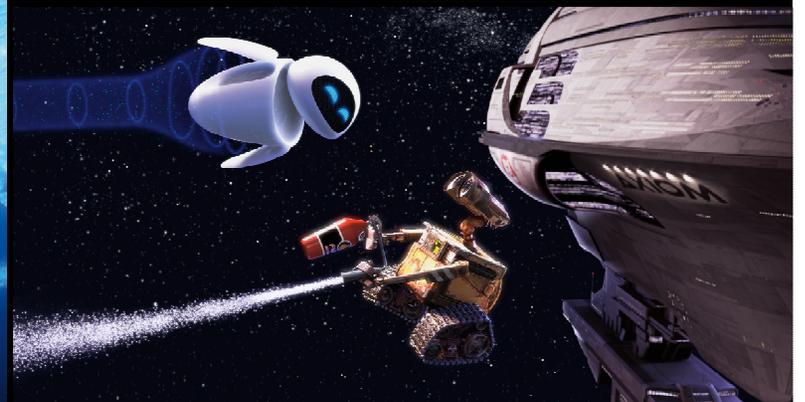

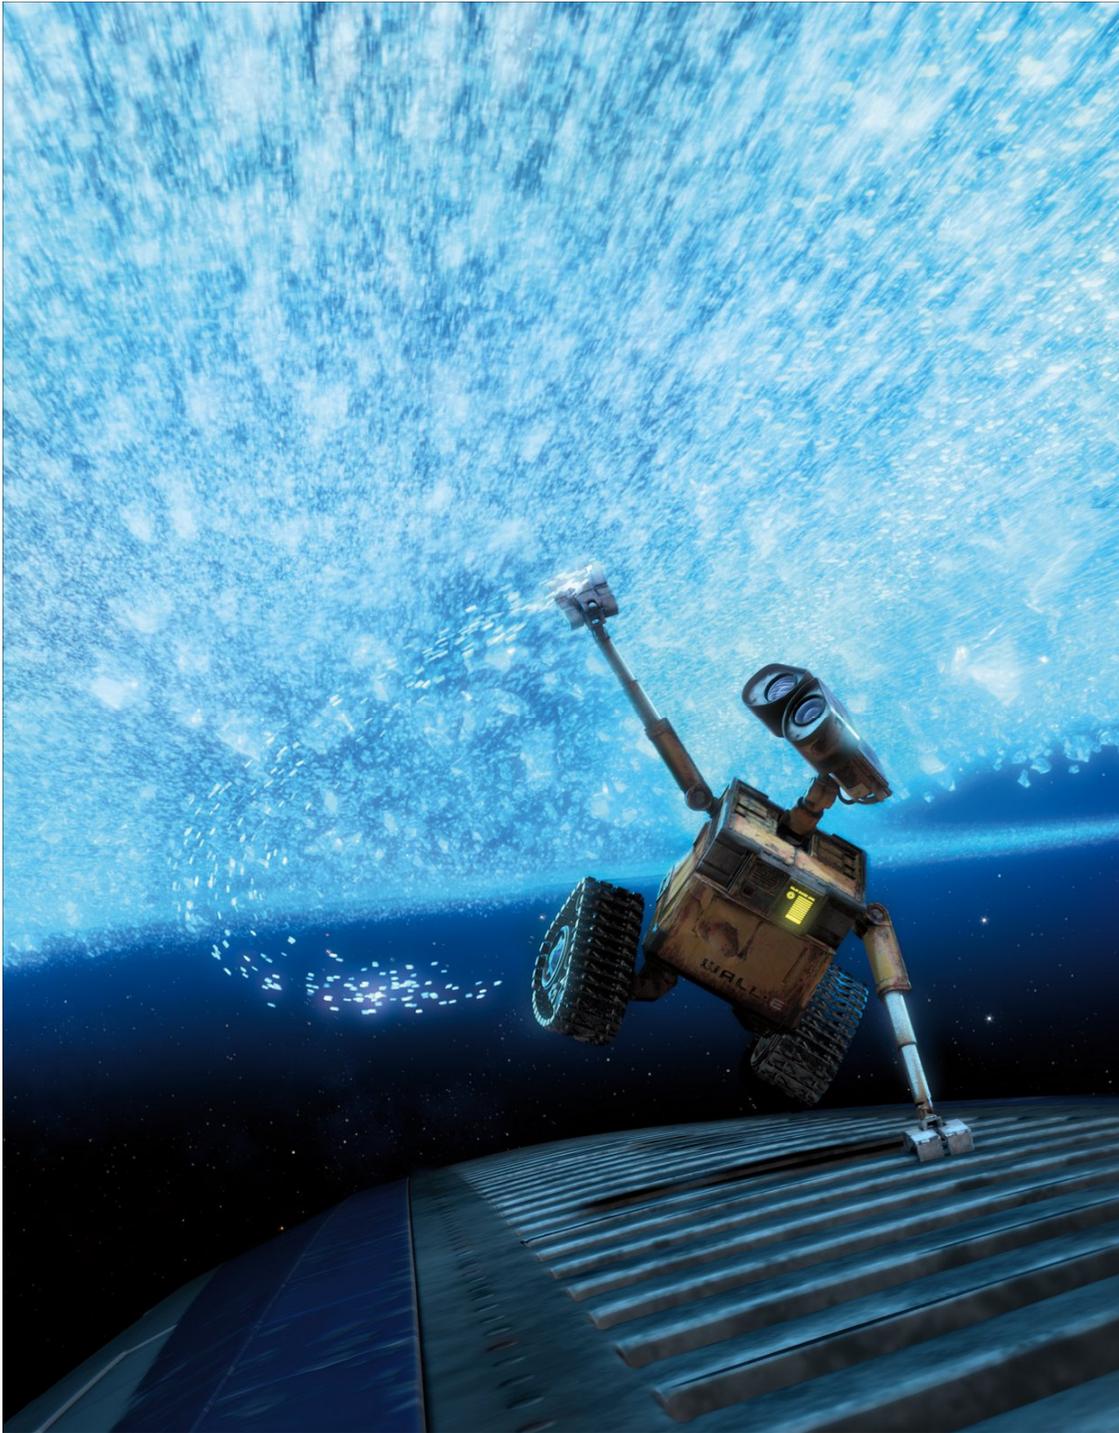

Second, throw a little music from a live band into the mix to shake things up a bit...

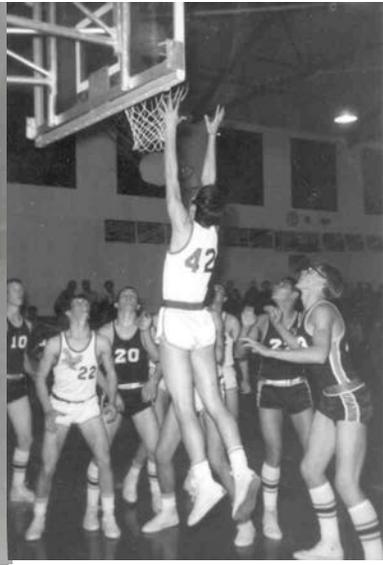

...and to top it all off, watch an amazing **event** like the next space shuttle launch from the backyard as we wind down with cold pink lemonade in our lawn chairs.

Sports **events** are popular recreational pastimes.
